

Write a text message to one of the characters telling them what they should do in their scenario.

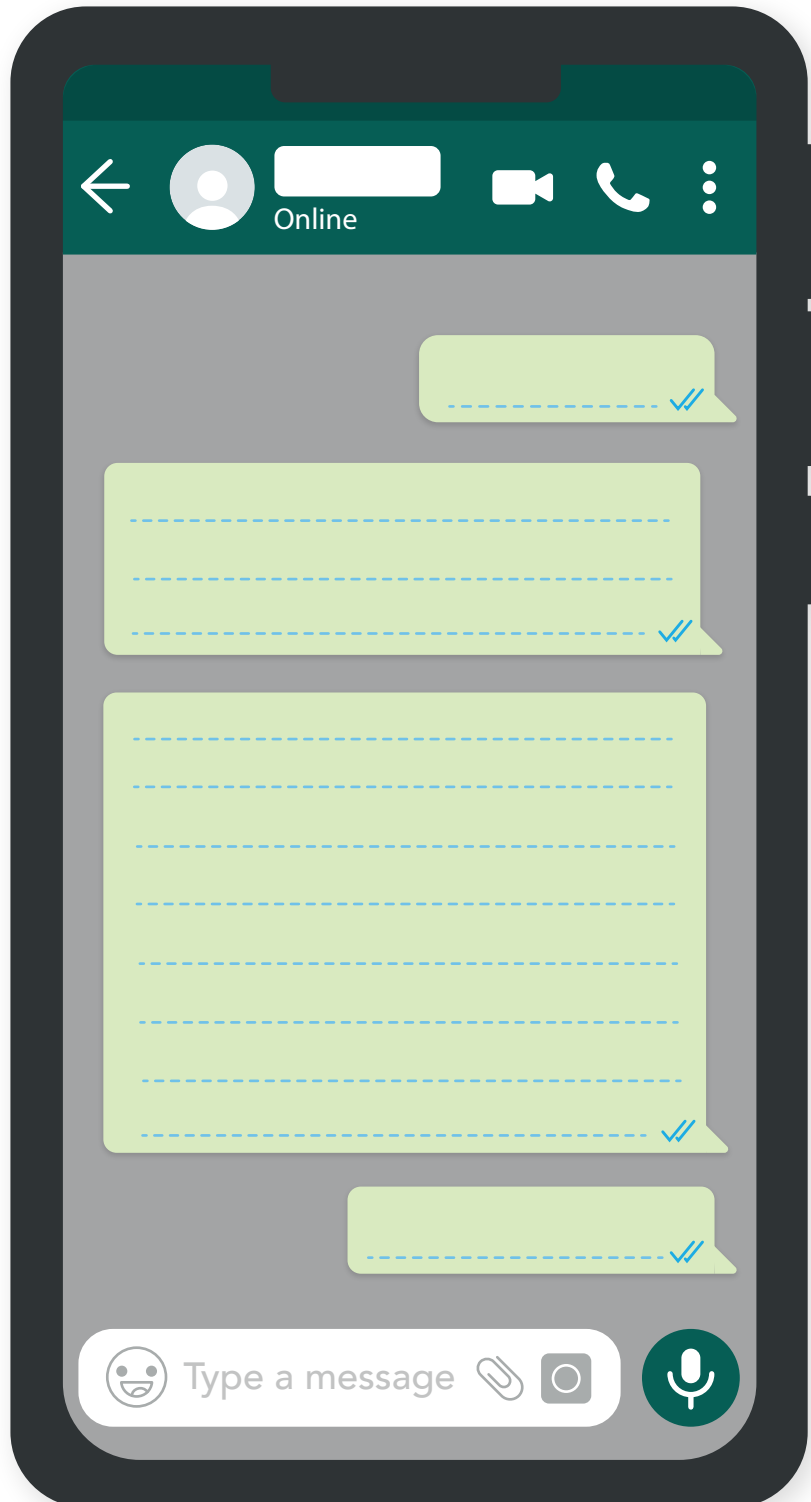

Write a text message to one of the characters telling them what they should do in their scenario.

Write a text message to one of the characters telling them what they should do in their scenario.

Scenario 1

Abida is the new girl in her Year 5 class. One day, a group of Year 6 girls take her pencil case and cover it in slime. Abida tells the teacher. When she gets home, she receives constant messages calling her a liar and other nasty names. Abida is upset and thinks about sending a message back.

What would you do if this was your friend?

Scenario 2

David uploads a tutorial video on how to play Minecraft. People begin to leave mean comments below his video. He messages his friend Amir asking him if he has seen the comments.

What would you do if this was your friend?

Scenario 3

Caitlin and Bryn are duo partners on Fortnite. The next day Bryn decides to stop playing with Caitlin because she is not very good at the game. Bryn then finds a new duo partner. Caitlin is jealous and upset so she creates a meme which mocks Bryn. Her finger hovers over the 'send' button.
